## ☀ GET READY FOR SUMMER ☀

### Leah's Corner

The Promenade is beautiful in  
June!! Our grounds are lovely and  
plush with flowers and color.  
Strolling around our walking path  
has become a daily event for our  
residents and staff. Come join our  
walking club!!!

We look forward to a warm  
sun-filled summer.

Our upcoming calendar of  
events is exciting and active. We  
are all looking forward to  
adventures in the great outdoors.

As always, my office door is  
always open for residents, families  
and staff. Stop by to say hello. I  
look forward to seeing you.

Wishing all fathers a Happy  
Father's Day and everyone a  
safe start to a great summer.

**Best Always,**

## \*\*\*Wellness Center\*\*\*

The summer is here! Our residents  
will be spending more time  
outside in the warmer weather  
and need appropriate clothing.

When families visit, we would  
greatly appreciate it if summer  
clothing can be brought in and  
heavier and winter clothing can  
be brought home to store.  
Storage in residents' rooms is  
limited.

Please make sure that all  
clothing is properly labeled and  
may be washed in hot water.

Thank you so much for your  
cooperation.

## Trivia Whiz

### Reviving Watergate

It has to be the most famous hotel in the nation's capital even though it currently is dormant. The Watergate Hotel in Washington, D.C., is best known for a crime in June 1972 that eventually brought down the regime of Republican President Richard Nixon.

- Watergate was built in 1967 as a combination of hotel and office buildings and got its name mostly for the location, which is near the banks of the Potomac River.

- On June 17, 1972, five men were arrested for attempting to burglarize the Democratic Party's sixth-floor Watergate office, and it surfaced that the burglary was authorized by Nixon's staff.

### June Birthdays

A Gemini sometimes seems to have two natures, loves to talk, is intellectual, forges strong relationships and can be the life of the party. A Cancer is emotional, caring, ready to lend a helping hand and dedicated to supporting both people and causes they believe in.

## Wit & Wisdom

"By the time a man  
realizes that maybe  
his father was right, he  
usually has a son who  
thinks he's wrong."

—Charles  
Wadsworth

"I won't lie to you;  
fatherhood isn't easy  
like motherhood."

—Homer Simpson

"When I was a boy  
of 14, my father was  
so ignorant I could  
hardly stand to have  
the old man around.  
But when I got to be  
21, I was astonished at  
how much he had  
learned in seven  
years."

—Mark Twain

"When I was a kid, I  
used to imagine  
animals running under  
my bed. I told my  
dad, and he solved  
the problem quickly.  
He cut the legs off the  
bed."
