HAPPY NEW YEAR

2011

Still deciding on your New Year's resolution? Here's a collection of quotes to help you have a successful year:

"Be always at war with your vices, at peace with your neighbors, and let each new year find you a better man." -Benjamin Franklin

"Always bear in mind that your own resolution to succeed is more important than any other." -Abraham Lincoln

"We will open the book. Its pages are blank. We are going to put words on them ourselves. The book is called Opportunity and its first chapter is New Year's Day." -Edith Lovejoy Pierce

"For last year's words belong to last year's language and next year's words await another voice." -T.S. Eliot
